

XCSKI SAFE RESTART FOR CLUBS

10 ways to keep your ski community safe:

- Share new protocols and be prepared to reinforce them
- Design drop-off/pick up areas with social distancing in mind
- Encourage skiers to bring essentials in backpacks
- Consider restricting access to lodges and warming facilities
- Create outdoor warming areas with patio heaters, bonfires, etc.
- Ensure social distancing where skiers are apt to mingle
- Follow a schedule to sanitize frequently touched surfaces regularly
- Encourage people to ski side-by-side two pole lengths apart
- Consider adding portable outdoor washrooms to reduce crowding
- Install hand sanitizing stations in all high traffic areas
